THOMAS G. BRUTON
CLERK, U.S. DISTRICT COURT

vs.

Honorable John W. Darrah

Melvin Reynolds

Pro-Se Motion to Strike Previous Motion

Pro-Se Defendant, Melvin Reynolds moves this Honorable Court to strike previous motion - Motion to Plead Guilty. I am not pleading guilty to the charge of Failure to File TAX under U.S. code § 1203, because I am not guilty of this charge.

Defendant is sorry for any confusion caused by the filing of this motion to Plead.

The hearing on this motion and my Motion for reconsideration of my incarceration location is set for May 19, 2016. It is still my intent to argue this motion because it is not possible to prepare for trial at my current location. It is also not possible to respond to government's motion pro-se.

As Your Honor knows I am asking to be placed

in the Halfway House in Chicago at Ashland and
Monroe. This would give me a chance at a fair trial.

Respectfully Submitted
Melvin Reynolds
